## **Experience**

**8/2008 – Present**

**Robert Morris University, Pittsburgh, Pa: Adjunct Professor –**

Teach a class of 25 communications students how to gather information necessary for print or broadcast publication on tight deadlines.

**6/2006 – Present**

**NBC Affillate WPXI Channel 11 News, Pittsburgh, PA: Reporter –**

Perform numerous creative live reports on location for 90 minute evening newscasts as well as 10 and 11 o'clock shows. Write clear, concise and tight news copy on very tight deadlines while using creative storytelling techniques, natural sound and compelling video. Maintain awareness of local, state and national events.

**11/2003 – 5/2006**

**NBC Affillate WYFF News 4, Greenville, SC: General Assignment Reporter –**

Perform live reports both in the studio and on location during evening newscasts. Maintain awareness of local, state and national current events, suggesting enterprising news stories for evening news packages. Creative storytelling by using video and a strong use of the English language.

**6/2002 – 10/2003**

**CBS Affillate WRDW News 12, Augusta, GA: General Assignment Reporter -** Perform live on-air presentation of news stories, write news copy for reporter or anchor use. Maintain awareness of current events, suggesting enterprising news stories, following up on leads and maintaining sources and contacts. Storytelling through creative and concise writing. Editing stories whenever necessary.
